Re: Updated Information on Pending Petition for a Closed Captioning Exemption
Case Identifier: **CGB-CC-0705**

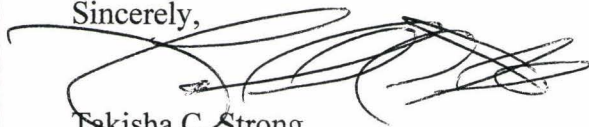

To Whom It May Concern:

On behalf of Greater Community Temple COGIC this letter serves as a communiqué supplementing our pending petition filed April 27, 2007 for a closed captioning exemption.

Greater Community Temple COGIC continues to spread the gospel of Jesus Christ through several media outlets. We have found that the cost of closed captioning would be a tremendous economic burden for our ministry. We are honored to have the opportunity to send the message of God through the airwaves. Without this exemption we may no longer be afforded this opportunity.

Therefore, this request is made to supplement our current petition. Thank you for your consideration.

Sincerely,

Takisha C. Strong
